

LAY LEADERSHIP DEVELOPMENT- 2015

Lay Leadership Development workshops are designed to address current topics and needs of the lay leadership in our churches. Topics will vary from year to year. Workshops will be offered at different locations throughout the State. Lay leaders will be able to enroll individually for as many workshops as fit their needs.

In 2015, Lay Leadership Development is offering 2 workshop opportunities designed to strengthen one's connection with God, ensure safe worship environments and to expand one's skills for engaging God in places beyond the walls of the church.
